

Technical drawing of a rectangular plate with dimensions and hole specifications. The drawing includes the following details:

- Top Edge:** A horizontal dimension of 53.34 is shown. Above it, a dimension of 13.97 is repeated twice, with a total dimension of 27.94. A note above the right 13.97 dimension reads $\phi 13.97 \times 3 = 41.91$.
- Right Edge:** A vertical dimension of 8.89 is shown. To its right, a dimension of 2.54 is indicated.
- Bottom Edge:** A horizontal dimension of 58.93 is shown. To its right, a vertical dimension of 4.57 is indicated.
- Holes:**
 - Four circular holes are located along the top edge, with a diameter of $\phi 0.90$.
 - Four circular holes are located along the bottom edge, with a diameter of $\phi 1.70(2)$.
 - Two circular holes are located on the right edge, with a diameter of $\phi 1.70(3)$.
 - A series of small circular holes are arranged in a grid pattern in the center of the plate.
- Other Dimensions:**
 - A dimension of 1.27 is shown between two of the top holes.
 - A dimension of 5.68 is shown between two of the bottom holes.
 - A dimension of 23.20 is shown from the left edge to the first top hole.
